#### Interpreting Experience

0 Hours Accepted | 0 Hours Added | 20 Hours Required

CCHI requires that individuals who receive CCHI's CoreCHI™ or CHI™ certification must document 40 hours of healthcare interpreting experience as a condition of certification renewal. [Add Interpreting Experience](#)

CCHI certifications are valid for 4 years - the healthcare interpreting experience must include 20 hours in years 1 & 2 and 20 hours in years 3 & 4. The work experience may be as an employee, contractor, volunteer, or combination thereof.

For more information on this requirement, see CCHI's Candidate's Examination Handbook at <http://www.cchicertification.org>.

[\( expand instructions \)](#)

#### Continuing Education

0 Hours Pending/Accepted | 16 Hours Required

All CHI™ or CoreCHI™ practitioners must document work experience and complete continuing education to maintain their credential. The continuing education requirement is 32 actual hours (classroom or contact) during the four year period for which the individual's credential is valid. Sixteen (16) hours must be completed in the first two years and sixteen (16) hours in the second two years. [Add Continuing Education](#)

The following subjects are suggestions of educational opportunities that may be applicable toward continuing education. Any subjects that do not fall into the recommended categories below will need to be evaluated by CCHI to determine relevancy for continued professionalism and growth for a credentialed healthcare interpreter.

1. Healthcare Interpreting Training (either teaching or participating)
2. Medical Terminology
3. Medical-Legal Terminology
4. Anatomy and Physiology
5. Conferences relative to general interpreting, such as healthcare interpreting, legal interpreting, conference interpreting and ATA conferences.
