Interpreter Registry

Congratulations on taking the first step toward becoming a certified healthcare interpreter. The Certification Commission for Healthcare Interpreters (CCHI) welcomes you to our healthcare interpreter certification program.

If you want to apply:

Click the orange button "Register As An Applicant" below to start the application process by creating a user profile. After that, you can access the application system at any time using the Login screen to the right. This is where you will track your progress, update your contact information, renew your certification, and interact with CCHI throughout your career. So it is important that you write down your login and password and keep it in a safe place.

Interpreter Registry

Healthcare Interpreter Registry

This National Certified Interpreter Registry includes **CoreCHI™** and **CHI™** certification recipients, as well as **Candidates**, **CoreCHI™ Candidates**, and **CHI™ Candidates**. Any "Candidate" status signifies that an interpreter is eligible to take a corresponding exam, but has not taken it yet.

Please click on the PDF symbol beside an Interpreter's name for a detailed description of their status.

Search Tips:

- Please use the state abbreviations (CA, MI, etc.).
- "Primary language" means the interpreter's working language for which they seek the CHI™ oral performance certification.
- Keep in mind that it's the interpreter's choice to allow CCHI to display their email address. CCHI honors its customers' privacy choices.
